Welcome to Lansdowne Children's Centre

From 7 families in 1952 and incorporation in 1974, Lansdowne Children's Centre exists to realize optimal potential for children and youth in Brant, Haldimand, Norfolk, Six Nations of the Grand and the Mississaugas of the Credit. Assembling services dedicated to the promise of possibility, we support children and youth with physical, developmental or communication needs, and their families.

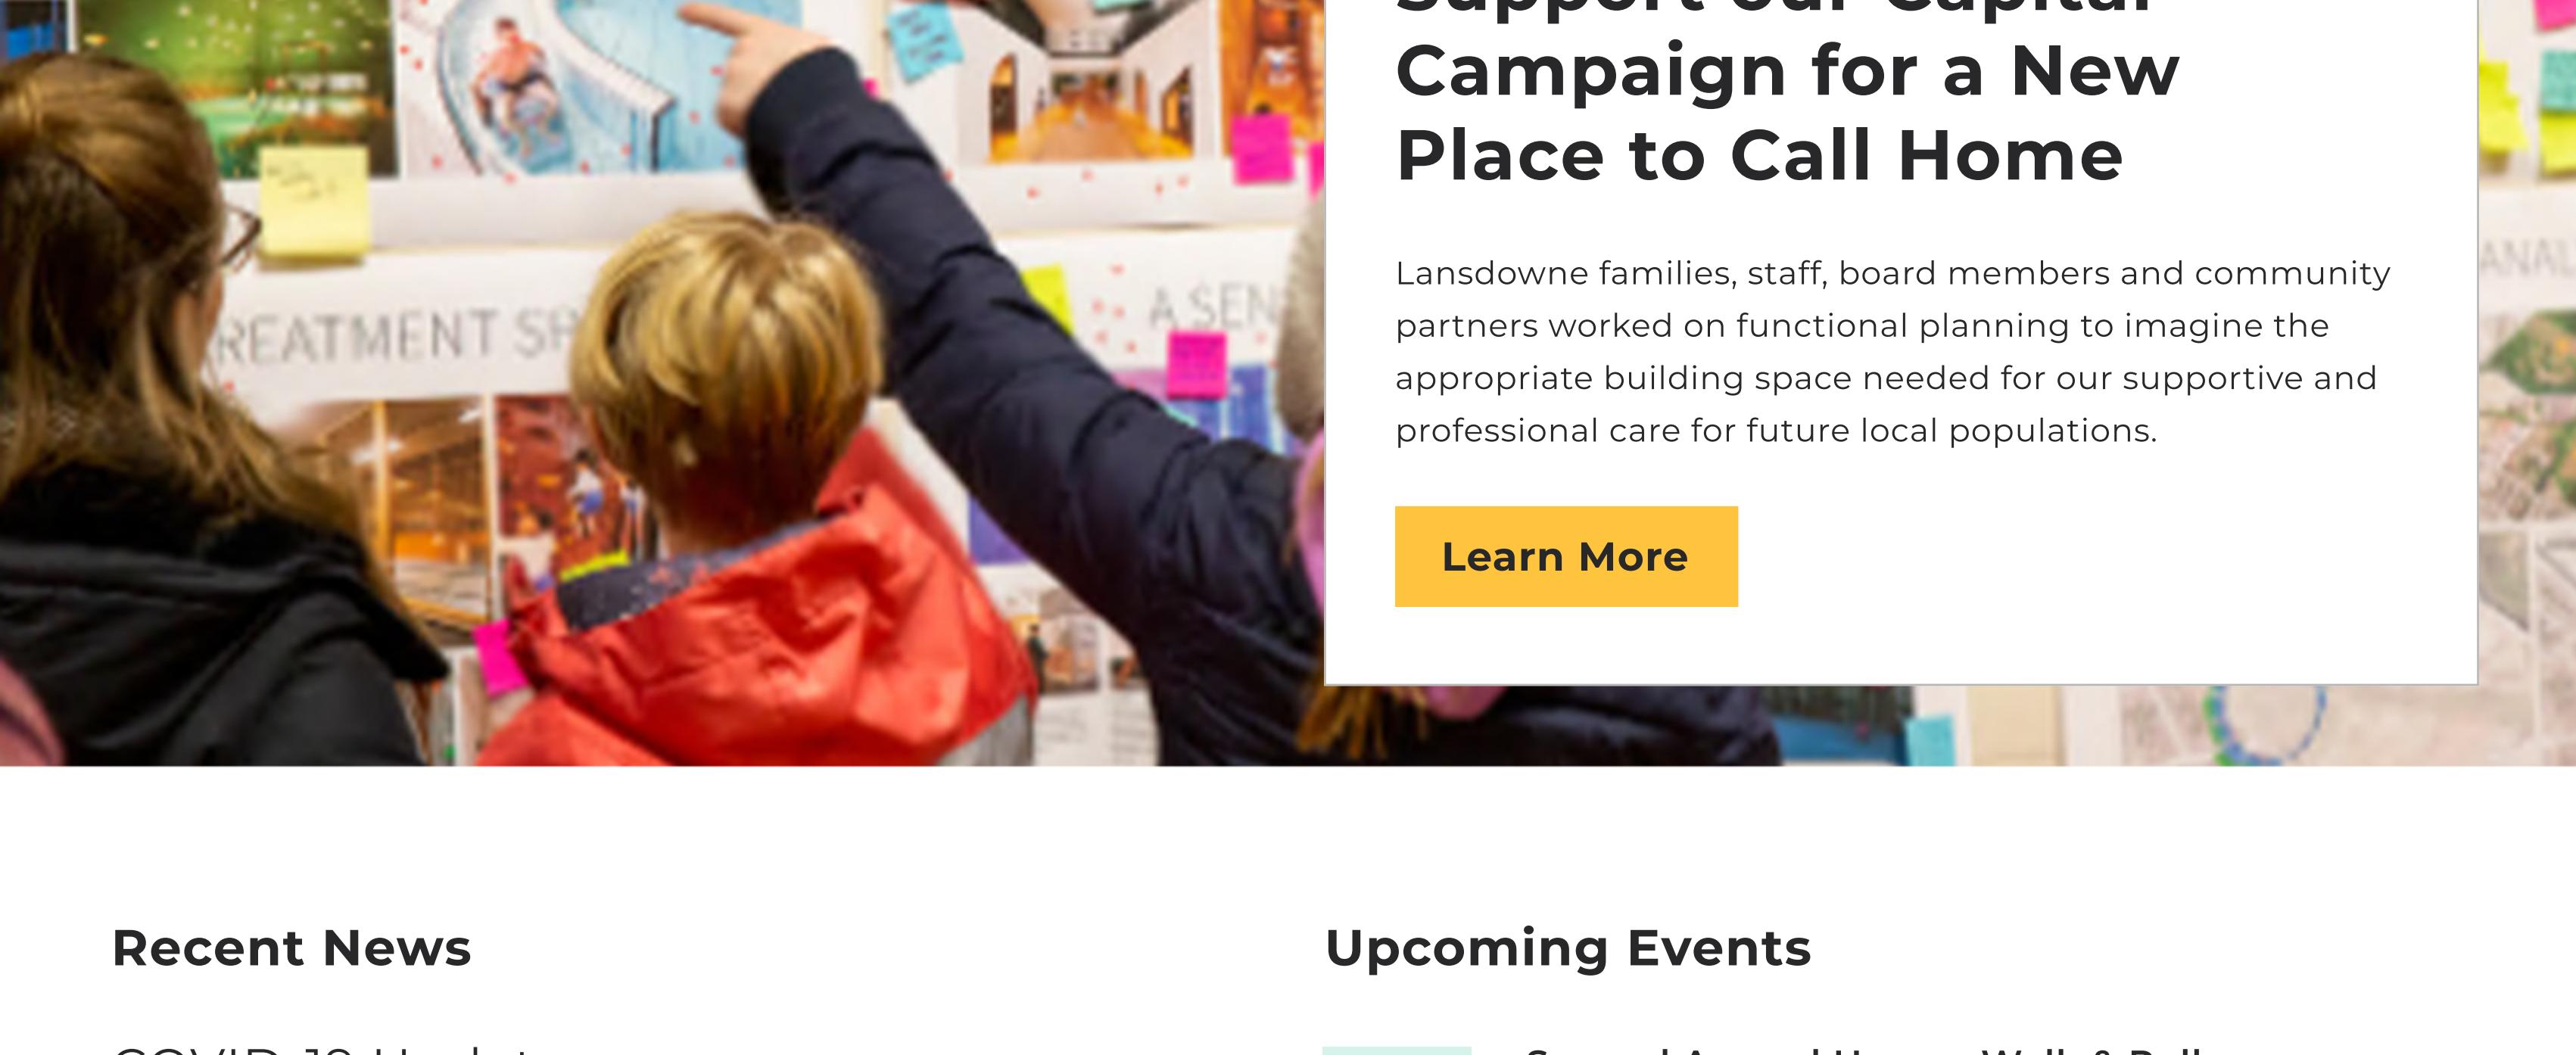

We provide rehabilitation, respite, recreation and other supports in collaborative partnership. Committed to safety, accessibility and accountable teamwork, we live our values of Respect, Inclusion, Diversity and Empowerment [RIDE].

Being family-centred continues to guide our 2019–2023 strategic plan priorities:

- Advance equity, quality, safety and access of services
- Cultivate relationships
- Sustain agency capacity and infrastructure viability

*Based on 2019–2020 Annual Report.

Support our Capital Campaign for a New Place to Call Home

Lansdowne families, staff, board members and community partners worked on functional planning to imagine the appropriate building space needed for our supportive and professional care for future local populations.
