Important Information for Support Worker Service

On behalf of Lansdowne Management Team,

As you know earlier this week, the World Health Organization (WHO) declared Covid-19 (corona virus) a global pandemic. This is an ever-evolving situation, and we recognize that we all need to make decisions that best support our own health and the health around us.

To ensure safety of all children, youth, families and yourself we have made the decision to suspend services provided by support workers until further notice.

We ask you to please connect with the families you work with and inform them of this decision.

Thanks to you for your ongoing patience while we continue to respond as the situation changes. We also very much appreciate families' patience and understanding recognizing the impact this has for them. We are closely monitoring the situation and will update you next week.

Form #1 – Example of Each Type of Field

FIELD NAME

Client can also enter a short paragraph as well. This text is an example of this. This will allow them a bit more control for breaking the forms into sections.

FIELD NAME

The client will be able to create a field of radio buttons. This works by offering multiple potential selections, but only one button may be selected for each group of buttons.

DESCRIPTION OF RADIO BUTTONS FIELD

- Option # 1
- Option # 2
- Option # 3

The client will also be able to create a group of checkboxes. Similar to the radio buttons, checkboxes can be created in a group. Unlike the radio buttons, multiple checkboxes can be selected at once for a “select all that apply” type of functionality.

- Checkbox # 1
- Checkbox # 2
- Checkbox # 3
